Friday 2nd October

Dear Parents and Carers,

As a result of rising numbers of COVID-19 in the community and receiving the latest advice from Public Health Salford we have made the decision that from Monday 5th October all parents/carers/adults who enter the school site must wear a face covering. It is a challenging time for all of us and we would appreciate your support in keeping the whole of our school community safe.

This will include drop off and collection of your children and if you are entering the school building.

Staff on the school gates will be wearing face coverings.

As per government guidelines children do not need to wear face coverings in school.

Reminder for Parents and Carers

Wherever possible only one parent/carer dropping off and picking up on the school site.

Please help us by not congregating on the school site once you have collected your children.

Continue to socially distance on the school site and on the way to school.

If you wish to speak with your child's teacher please ring the school office to make a phone appointment.

Please continue to arrive on time for morning drop off and home-time collection.

We continue to encourage children to walk to school. Where this is not possible please try and park your car lower down Summerville Road or on the other side of the subway.

Can we remind you that for the safety of our children you must not park on the yellow zig zag lines outside school.

Thank you for your continued support.

Miss Jordan
