The others are crazed, confused and hungry. Only children under fourteen remain, and they're fighting to survive. Now there are rumours of a safe place to hide. And so a gang of children begin their quest across London, where all through the city - down alleyways, in deserted houses, underground - the grown-ups lie in wait. But can they make it there - alive?</p> | <p>Roll up, roll up if you dare to Doctor Vindicta's carnival! Gasp at the dancing ghosts! Grimace at the creepy clowns! Giggle in the hall of mirrors!
