	<p>Lily's life is in mortal peril. Her father is missing and now silver-eyed men stalk her through the shadows. What could they want from her?</p> <p>With her friends - Robert, the clockmaker's son, and Malkin, her mechanical fox - Lily is plunged into a murky and menacing world. Too soon Lily realizes that those she holds dear may be the very ones to break her heart...</p> <p>Murder, mayhem and mystery meet in this gripping Victorian adventure.</p>	<p>Barnaby Grimes is a tick-tock lad, running errands in his city, day and night, and 'high-stacking' around the rooftops in search of new mysteries to solve. In this first adventure, Barnaby is attacked one night by an enormous dog. He kills it - but that's not the end of this particular mystery . . . as Barnaby finds himself swept up in a world of crooked doctors, poor and ill-advised patients, strange tonics and very expensive furs... Could there be more to the seemingly respectable Dr Cadwallader and the tonics he doles out to the poor? Is there a link between the tonic and the huge dogs - or possibly wolves - that are roaming the city at night? When Barnaby's old acquaintance Benjamin goes missing, Barnaby fears the worst for him, and decides to dig deeper...</p>	<p>Elliot's mum is ill and his home is under threat, but a shooting star crashes to earth and changes his life forever. The star is Virgo - a young Zodiac goddess on a mission. But the pair accidentally release Thanatos, a wicked death daemon imprisoned beneath Stonehenge, and must then turn to the old Olympian gods for help. After centuries of cushy retirement on earth, are Zeus and his crew up to the task of saving the world - and solving Elliot's problems too?</p>	<p>When the dead come back to haunt the living, Lockwood & Co. step in. For more than fifty years, the country has been affected by a horrifying epidemic of ghosts. A number of Psychic Investigations Agencies have sprung up to destroy the dangerous apparitions.</p> <p>Lucy Carlyle, a talented young agent, arrives in London hoping for a notable career. Instead she finds herself joining the smallest most ramshackle agency in the city, run by the charismatic Anthony Lockwood. When one of their cases goes horribly wrong, Lockwood & Co. have one last chance of redemption. Unfortunately this involves spending the night in one of the most haunted houses in England, and trying to escape alive.</p> <p>Set in a city stalked by spectres, The Screaming Staircase is the first in a chilling new series full of suspense, humour and truly terrifying ghosts. Your nights will never be the same again . . .</p>	<p>When Ted and Kat watched their cousin Salim get on board the London Eye, he turned and waved before getting on. After half an hour it landed and everyone trooped off - but no Salim. Where could he have gone? How on earth could he have disappeared into thin air?</p> <p>Since the police are having no luck finding him, Ted and Kat become sleuthing partners. Despite their prickly relationship, they overcome their differences to follow a trail of clues across London in a desperate bid to find their cousin. And ultimately it comes down to Ted, whose brain works in its own very unique way, to find the key to the mystery.</p> <p>This is an unputdownable spine-tingling thriller!</p>
