

PE AND SPORTS PREMIUM REPORT
Summerville Primary School
2018/2019

Key achievements to date:

There is a high profile for the subject and a good reputation for PE and school sport. Summerville achieved the Silver award School Games Mark for the 3rd consecutive year in 2018.

Two members of staff have achieved Level 5 qualification in PE Specialism through Sports Leaders UK.

A progressive plan for PE and a means of assessing pupil progress and their participation is in place and well used.

Every child receives at least 2 hours of high quality PE each week and a choice of 3 different, additional 30-45 minutes, structured physical activities per day, lead by the PE Lead, Learning Mentor and GO4IT Sports at lunch times.

The Daily Mile is also used within the school.

The school has good links to local community sports clubs e.g. Salford Reds, Salford City Swimming and Waterpolo Club and Manchester Girls FC, as well as higher profile clubs such as Manchester United FC.

Summerville has a high percentage of children taking part in physical activity and school sports. This has increased this year with introduction of year 1's and Reception children taking part in football tournaments and the creation of an after school football club for year 1 and 2.

Also the change to sports at before school clubs every morning with GO4IT Sports from 7.45am until 8.45am has increased the amount of time children are active.

Areas for further improvement and baseline evidence of need:

All subject leaders to look at opportunities within their subject to make the learning more active.

All staff to motivate and support children in accomplishing the Daily Mile and to improve fitness across school by actively taking part, where possible.

To enter a wider variety of sports, including specifically inclusive sports for SEND children.

PE Lead to support staff in the effective use of the PE Passport and its assessments throughout school to enhance teaching and learning.

Staff to take opportunities during PE lessons to put into practice what they have learnt whilst shadowing external PE providers by leading on sections of the lesson.

All children when entering year 1 to be grouped into their values (houses), to follow through to year 6, so that the children gain a sense of belonging within that group.

Key achievements to date:

Two members of staff have achieved the Level 5 qualification in PE Specialism through Sports Leaders UK.

The school has taken part in the local Salford Sports Association schools football league and The Worsley netball leagues again this year. They have also competed in local cluster school events, such as, Dodgeball and Hockey, in which they were winners and gained a place in the Salford finals. They also took part in the Salford Schools Kwik Cricket finals as well as a football tournament ran by a local school.

Summerville have also taken part in, Rugby tournaments organised by Salford Reds, a swimming gala organised by the Salford Community Leisure, a Girls Futsal tournament organised by Salford Sports Partnership, a basketball competition ran by Buile Hill Visual Arts College and a Dance competition organised by Salford Community Leisure.

Reception, year 1, 2,3 and 4 have all taken part in football tournaments organised by Manchester United FC, in which year 1 were winners of their group and gained a place in the finals at Carrington.

The children have lots of opportunities to compete in Intra Schools Competitions. All children from year 1 to year 5 take part in an Intra Sports Day every half term, which is organised and ran by the schools the PE Lead and the year 6 Sports Crew and supported by the external PE provision from GO4IT Sports.

Areas for further improvement and baseline evidence of need:

Key achievements to date:

This year, Year 4 have also compete against one another in their value groups (houses) in an Intra class water polo competition, an intra class water basketball competition and also an intra class swimming gala.

There is an active, well trained and supported Playmakers team, who lead sessions for younger children at lunch times alongside GO4IT Sports. Summerville also have a year 6 sports crew who support the PE Lead and run Intra School Games days.

Summerville Year 6 children not gaining the Key stage 2 pass in swimming and water safety in year 4, took advantage of a funded scheme ran by Salford Community Leisure, that provided them with a FREE 30 minute swimming lesson once a week until they had passed.

Summerville has also been visited this year by a Paralympian who was very inspiring for both children and staff alike.

Year 5 have also been working with Boxer Courtney Fry, who gave an inspiring speech to the whole school. His work with Year 5 looks at the link between physical education and mental and physical health. He has worked with the class on boxing control, calming techniques and mental health. The class now have mental health ambassadors.

PE and Sport is celebrated every year with the Summerville Sports Personality of the Year Awards ceremony, to celebrated the children's achievements throughout the year.

Meeting National Curriculum Requirements for Swimming and Water Safety	Percentage attaining national standards
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	80%
What percentage of your current Year 6 cohort use a range of strokes effectively (for example, front crawl, backstroke, breaststroke)?	80%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	73%
Schools can choose to use the Primary PE and Sports Premium to provide additional provision for swimming but this must be for activity over and above the National Curriculum requirements. Have you used it in this way?	Not used for this purpose as, Summerville year 6 children not gaining the Key stage 2 pass in swimming and water safety in year 4, took advantage of a funded scheme ran by Salford Community Leisure, that provided them with a FREE 30 minute swimming lesson once a week.
