Summerville
Primary School

Key achievements to date:

There is a high profile for the subject and a good reputation for PE and school sport. Summerville achieved the Silver award School Games Mark for the 5th consecutive year in 2020.

Two members of staff have achieved Level 5 qualification in PE Specialism through Sports Leaders UK.

A progressive plan for PE and a means of assessing pupil progress and their participation is in place and well used.

Every child receives at least 2 hours of high quality PE each week and a choice of a different, additional 30-45 minutes, structured physical activities per day, lead by the PE Lead, Learning Mentor and GO4IT Sports at lunch times.

The Daily Mile is also used within the school.

The school has good links to local community sports clubs e.g. Salford Reds, Salford City Swimming and Waterpolo Club and Manchester Girls FC, as well as higher profile clubs such as Manchester United FC.

Summerville has a high percentage of children taking part in physical activity and school sports. Also the change to sports at before school clubs every morning with GO4IT Sports from 7.45am until 8.30am has increased the amount of time children are active. This has been cut short this year due to the Covid-19 pandemic.

Areas for further improvement and baseline evidence of need:

All subject leaders to look at opportunities within their subject to make the learning more active.

All staff to motivate and support children in accomplishing the Daily Mile and to improve fitness across school by actively taking part, where possible.

To enter a wider variety of sports, including specifically inclusive sports for SEND children.

PE Lead to support staff in the effective use of the PE Passport and its assessments throughout school to enhance teaching and learning. Assessments and planning have also been done by the GO4ITSports team on a half termly basis.

Staff to take opportunities during PE lessons to put into practice what they have learnt whilst shadowing external PE providers by leading on sections of the lesson.

All children when entering year 1 to be grouped into their values (houses), to follow through to year 6, so that the children gain a sense of belonging within that group.

Key achievements to date:

The school has taken part in the local Salford Sports Association schools football league and The Worsley netball leagues again this year. They have also competed in local cluster school events, such as, Dodgeball and Hockey. They also took part in the Salford Schools Kwik Cricket finals for years 3 and 4. Summerville have also taken part in, Rugby tournaments organised by Salford Reds.

Year 5 and 4 have taken part in football tournaments organised by Manchester United FC.

The children have lots of opportunities to compete in Intra Schools Competitions. All children from year 1 to year 5 take part in an Intra Sports Day every half term, which is organised and ran by the schools the PE Lead, the year 6 Sports Crew and supported by the external PE provision from GO4IT Sports. GO4ITSPORTS have also supplied school with daily lesson plans and videos for the Seesaw online learning platform for the majority of children whom are not key worker or vulnerable children during the Covid-19 pandemic.

Areas for further improvement and baseline evidence of need:

Key achievements to date:

There is an active, well trained and supported Playmakers team, who lead sessions for younger children at lunch times alongside GO4IT Sports. Summerville also have a year 6 sports crew who support the PE Lead and run Intra School Games days.

Summerville Year 6 children have the highest pass rate for our Key stage 2 swimming pass so far with 90%.

Year 5 have also been working with Boxer Courtney Fry, who gave an inspiring speech to the whole school. His work with Year 5 looks at the link between physical education and mental and physical health. He has worked with the class on control, calming techniques and mental health. The class now have two mental health ambassadors. They have also actively lead the class in a daily fitness regime.

PE and Sport is celebrated every year with the Summerville Sports Personality of the Year Awards ceremony, to celebrated the children's achievements throughout the year. This has been postponed this year but a Summerville Sports Personality of the Year will be decided and awarded by the school PE Lead and sports staff.

Meeting National Curriculum Requirements for Swimming and Water Safety	Percentage attaining national standards
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p>	<p>90%</p>
