

PARENT SURVEY FEEDBACK

Summary

Thank you very much to the 53 parents who gave feedback on our recent survey. We were really happy with the results and wanted to share them with you. You expressed strong appreciation for our staff and the relationships they build with the children. You highlighted how much you value the care, commitment, and support your children receive each day, and this sense of trust and connection came through as a clear strength across the school.

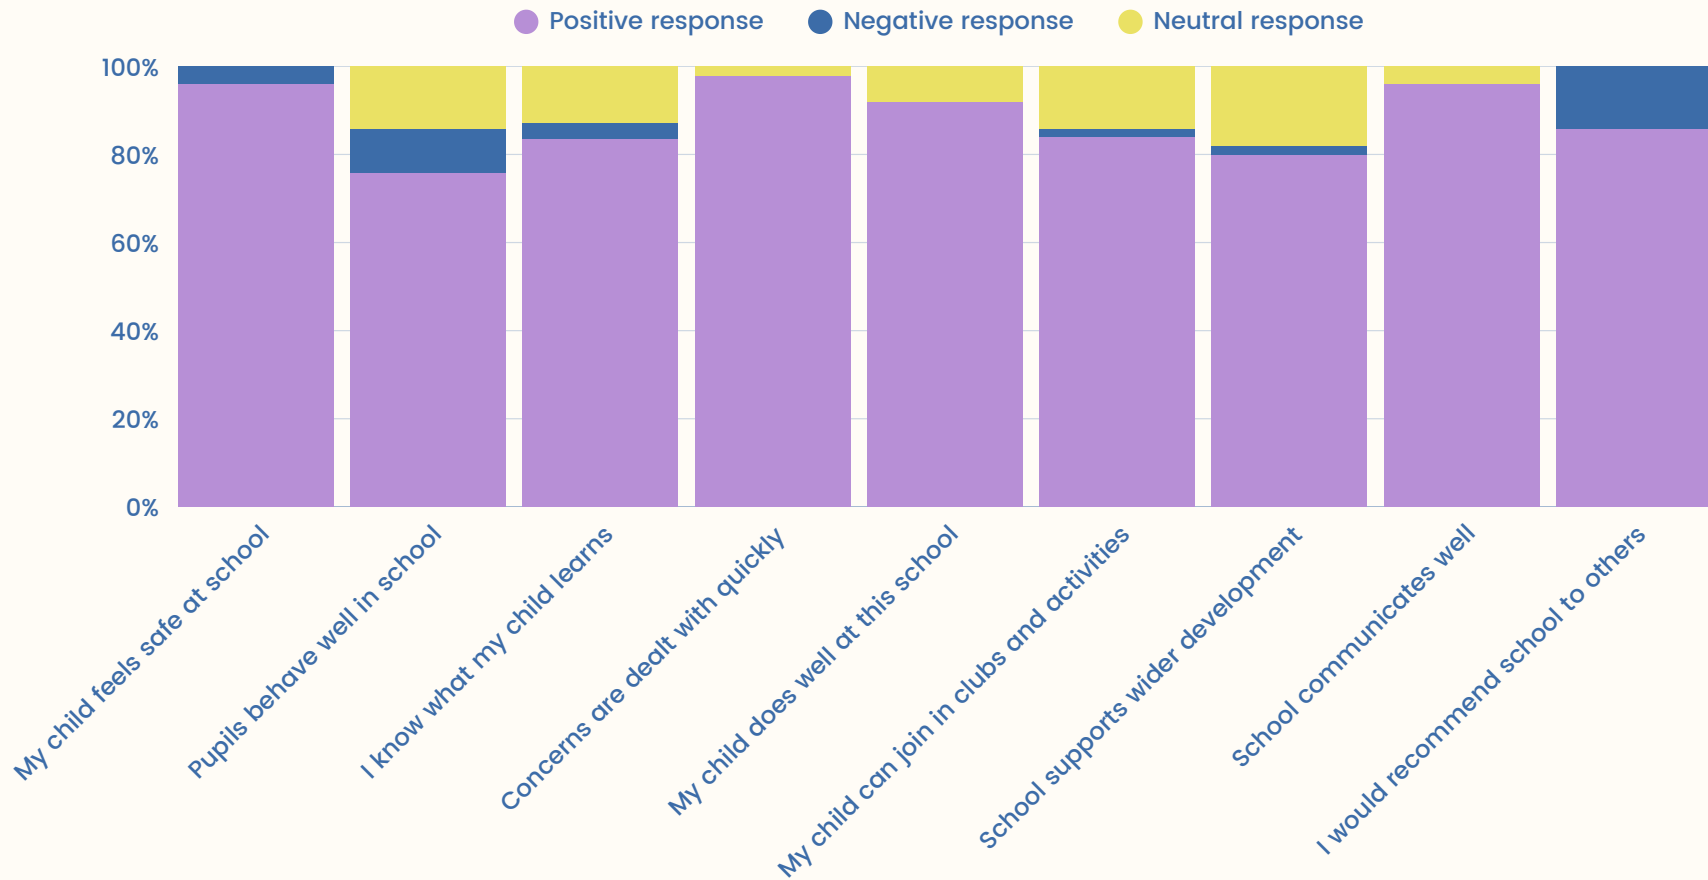

My child is happy at school

Feeling happy at school helps children feel safe, confident, and ready to learn. When pupils are happy, they engage more positively, build stronger friendships, and develop healthier emotional habits. A positive school experience supports better behaviour, stronger resilience, and greater academic success.

My child feels like part of the Summerville family

A school that feels like a community gives children a strong sense of belonging and security. It helps them build positive relationships, feel supported, and work together with others.

KEY THEMES

These are some of the other things that you valued and some of the common themes for improvement. We will be reviewing the feedback as a team and trying to improve things even more.

Trips and outdoor learning

Lots of parents recognised the enrichment that we have brought into school, but are clear that they would like even more!

Diversity

Lots of parents value the cultural diversity in school and talked about our school being child centred and safe for children with SEND.

Behaviour

Some parents shared concerns that their children's learning was sometimes disrupted by the behaviour of others.

Homework

Some parents voiced that they would like more homework for their children.

Updates on Dojo

Parents value being able to communicate with the teachers on Dojo, but would like to see more updates on what their children are doing in school.

Clubs

Some parents wanted a wider range of clubs available to engage in after school.

"The teachers are lovely and do anything possible to help the children get as much as they can out of their education!"

"Fantastic school, amazing staff and I can't wait for my little ones to join the Summerville family!"

"Just wanna say thank you to all the staff. Never felt so happy with the school and staff as I am my daughter loves it!"
