# Attendance and Punctuality

- Important that children are in school every day on time to ensure they have the best possible chance to succeed in life.
- Last academic year our whole school attendance was 92.4% putting Summerville in the bottom 10% of school's nationally.
- 23% (50) of our children had attendance of less than 90% (they missed at least 4 weeks of school).
- School will support parents/carers if they are struggling to get their child to school – just ask for help.
- We want every child to have an attendance of 95% or more.
- Lessons start promptly at 8:45 (doors open 8:30)
- Once the side doors are closed at 8:45 a late mark is recorded. If a child arrives after 9:15am they will get an unauthorised absence.
- Holidays taken in term time will not be authorised and you will receive a penalty fine of £160 (reduced to £80 if paid within a month) if they are absent from school for 5 days or more.
- Unauthorised absences of 5 days in a 10 week block will also result in a penalty fine.

# Behaviour

We have 3 rules

- Be kind
- Be safe
- Be ready

Children earn points for showing positive behaviours (Trackit Lights). Children will get certificates when they have earned 50, 100 and 200 points.

We work closely with parents/carers when children are struggling to manage their behaviour in school and will report any incidents of negative behaviour.
